Russell B. Tobey, Director  
Recreation Division  
State House Annex  
Concord, New Hampshire

Dear Mr. Tobey:

This is in response to your request of August 11, 1958 for our opinion as to whether the unexpended balance in the State Recreational Fund as of June 30, 1958 is now available for expenditure on approval of the Governor and Council. We assume that the expenditure contemplated is not contained in your budget.

Until such a time as revenue and balance for the fiscal year exceed \$1,009,500, money from the State Recreational Fund may be expended only as specified in the budget. When and if balance and revenue exceed this figure further expenditures may be made with the approval of the Governor and Council.

Very truly yours,

Elmer T. Bourque  
Assistant Attorney General
